Dear Chairman Goodwin:

I am in receipt of the letter you sent to the Governor's Boards and Commissions Director Cole Jordan on 23 January 2019 providing four names to the Governor to be considered for appointment to the Board of Elections, as required by House Bill 1029 (S.L. 2018-146). Upon review of the criteria the General Assembly put in place for service on the Board, two of your nominees included in your letter appear to be ineligible to serve under the newly recodified board as required by House Bill 1029 (S.L. 2018-146), N.C.G.S. § 163-19(f)(6): Valerie Johnson and Greg Flynn.

Section 163-19(f)(6) of the General Statutes requires nominees to the Board of Elections in existence beginning on 31 January 2019 to be eligible for service only if they have not been, in the past 48 months, associated with an organization engaged in electioneering as (1) a director, officer, or governing board member; (2) an employee; (3) a lobbyist registered under Chapter 120C of the General Statutes; or (4) an independent contractor; or (5) a legal counsel of record.

Therefore, in accordance with the 18 January 2019 letter from Cole Jordan requesting Board of Elections nominations from you, please resubmit the names of two new, eligible individuals so that you are compliant with the requirements of the law. Because time remains of the essence, and because these individuals will need to be evaluated by the State Ethics Commission prior to Governor Roy Cooper's appointments to the board, please send their names to
